

# District seeks feedback on Standards Based & Standards Referenced Grading

**The Adams 12 Five Star Schools Learning Services team is collecting feedback regarding the implementation and practice of Standards Based and Standards Referenced Grading.**

In the fall of 2016, the Learning Services team scheduled over 20 voluntary staff engagement sessions. Teachers, principals, counselors and numerous school support staff shared their feedback regarding the grading practices at their respective schools. In addition to school staff, administrative employees serving special populations including English Language Learners, Gifted and Talented and Special Education Needs, also shared feedback. To ensure parents and students have an opportunity to provide input, multiple community engagement sessions are scheduled for the 2017 spring semester.

**Where: Adams 12 Five Star Schools Educational Support Center  
1500 E. 128<sup>th</sup> Ave. Thornton, CO. 80241**

**When: 6 – 7 p.m.**

**Jan. 30-** Northglenn High School Community

**Feb. 6-** Horizon High School Community

**Feb. 8-** Thornton High School Community

**Feb. 16-** Legacy High School Community

**March 2-** Mountain Range High School Community

**March 6-** Elementary School Community

Parents are encouraged to attend the session corresponding to their student's current or future high school, but are welcome to attend any of the sessions.

The district requests attendees bring a device to the session (iPad, laptop or tablet) if possible, as feedback will be collected via an online survey. A limited number of district-owned devices will also be available to participants.

Parents will need to RSVP by contacting Communications Administrator, Chris Brecht at: [chris.brecht@adams12.org](mailto:chris.brecht@adams12.org).
