

Your opinion matters! As part of our commitment to student and parent satisfaction, I invite you to tell us how we're doing through our Parent Engagement and Satisfaction survey.

The Parent Engagement and Satisfaction survey is one way for us to understand how you feel about our school, how well your child is doing, and where we can better support you as a parent. The survey asks questions on academics, culture, communication and more.

Parents from across the district are being asked to take the survey Feb. 8-21, 2016, but your feedback is specifically for Legacy and will help our team learn more about your experience.

Survey Notes

- The survey is open Feb. 8-21.
- The survey is anonymous, but please select our school so we have school specific feedback.
- The survey takes about 15 minutes and can be taken in English or Spanish and online or paper (if you would like a paper version instead of online, please ask at the school or [click here](#) to print one on your own).
- If you have children at different schools, we ask that you fill out the survey for each school so feedback is appropriate for each school.
