We believe these activities promote positive behaviors, and develop life-long skills.

**ADVANCED PLACEMENT**
The Advanced Placement (AP) Program provides students an opportunity to take college-level courses and exams while they are in high school. As a result of the final national test score that students receive, college credit may be awarded. Credit awarded depends on the college the student wishes to attend. AP courses are designed to replicate college level classes, which mean they are challenging and rigorous. All students who take AP classes will be required to take the AP exams in May. Students who do not take the final AP exam will not be eligible for weighted grade status. Fees will be collected through the district billing process. The current fee for each exam is $94 and is subject to change. Financial aid is available for those who qualify. Students who qualify for the free/reduced meal program will also qualify for a reduced fee from College Board. Besides the possibility of earning college credit, AP courses can help the student develop skills and study habits that will be vital in college. AP classes require substantial time outside of the classroom; therefore, students may be required to complete prerequisite work in order to enter the class. Students are required to obtain recommendations of current content teachers to help them evaluate their likelihood of success. For more information about AP, you can access the web site at: www.collegeboard.org. This website includes the testing schedule in May. Students who have approved absences to the exam may be permitted to take the make-up exam per College Board policy. Students must contact the AP Testing Coordinator directly prior to noon on the last day of the regular testing in order to have a make-up test ordered for them.

In order to maintain appropriate class size, students registered for AP classes will not be able to drop those classes once they are placed on their schedules.

**ANNOUNCEMENTS**
The Pledge of Allegiance and important announcements will be broadcast daily at the beginning of 3rd period. A copy of the announcements will be posted on the Legacy website.

ATHLETICS

Any questions concerning a specific sport (practice, lettering requirement, etc.) should be discussed with the head coach of that sport.

Eligibility, financial, and athletic check-in questions should be discussed with the Assistant Principal in charge of Athletics.

All athletes participating in high school sports must return all required forms and fees before practice begins. The necessary forms are available in the Athletic Office. All athletes must comply with the following 13-point checklist before participating in the high school athletic program.

1. Must be an undergraduate of LHS.
2. Must be enrolled in and attending classes, which offer a minimum of 2.5 Carnegie Units of credit during the semester he/she is participating and the previous semester. If an athlete drops his/her course load to less than the equivalent of 2.5 credits, he/she immediately becomes ineligible.
3. Must not be failing more than the equivalent of .5 credit at the end of each week. A student who receives more than .5 credit of failure (one “F”) will be ineligible for the next full week (Monday-Saturday). Students receiving an “F” in more than .5 units of credit at the end of the semester will be ineligible for approximately the next six weeks (per CHSAA guidelines).
4. Summer school courses taken after the close of the second semester may be used to replace any Carnegie Units failed. Classes must be completed by the first day of school for an allowable contest in that sport. Credits completed through summer school should be in the same curricular area and be accepted to meet graduation requirements of classes failed.
5. Must have read and signed the Legacy High School authorization for athletic participation form, including the Adams 12 High School Athletic Code.
6. Must have a physical examination from a practicing physician, physician’s assistant or nurse practitioner within the last calendar year. Physicals are good for one calendar year.
7. Must have a permission form signed by parent/guardian giving authorization to participate in the athletic program and indicating coverage by an insurance plan.
8. Must not have turned 19 before August 1.
9. Must not have dropped out of school.
10. Must not play more than four seasons in any one sport during their high school career. The period of eligibility for a high school athlete shall be limited to eight consecutive semesters (if he/she began high school as a ninth grader), except that a student otherwise eligible may complete a season begun with the limits set forth above.
11. Must not practice with a non-school team in their sport while a member of a Legacy High School team. (Unless they have received prior written consent from the Legacy High School Principal.)
12. All student-athletes must attend all classes the day of an athletic activity (game or practice) in order to participate. Absences due to a doctor appointment, court appearance, or other legitimate reasons need to be cleared by the Athletic Director. **Any unauthorized absence from any class by the end of the school day makes the participant ineligible to participate on that day.**
13. If a student is serving a discipline suspension, he/she shall not participate in athletics until they have regained status as a student. (A student suspended on Friday from school, cannot participate in athletics until he/she regains student status on the next scheduled school day.)

It is the athlete’s responsibility to know and understand all rules regarding eligibility. If an ineligible player participates on a Legacy High School team in any athletic contest(s), the contest(s) must be forfeited according to league and state association rules.

2020-2021 ATHLETIC FEE REFUND POLICY

NCAA ELIGIBILITY CENTER

Students who plan on participating in NCAA Division I or II college athletics must register with the NCAA Eligibility Center. Students who participate in NCAA Division III college athletics do NOT need to register with the NCAA Eligibility Center.

To register, students will visit the website www.eligibilitycenter.org where they will develop a login and password during their junior or senior year of high school.

Initial Transcripts:

Once students have registered with the Eligibility Center, they must request a transcript to be sent from Legacy High School to the Eligibility Center. This can be done in one of two ways: 1) Contact the counselor in charge of NCAA eligibility directly to make this request; 2) submit a request via Naviance—that request will go to the appropriate counselor. In either
case, the requests will be delivered electronically to the Eligibility Center for maximum efficiency. Receipt of the document will show up in the “my tasks” section of the student’s Eligibility Center account.

**Final Transcripts:**
On roughly June 1 of each year, counselors will upload an initial six (6) semester transcript for each junior who has created an NCAA Eligibility account. Any graduating senior who has created such an account does NOT have to request their final transcript to be sent to the NCAA; it will be sent automatically.

**ACT/SAT Scores:**
In addition to transcripts, students must also have their ACT/SAT scores sent to the NCAA directly from ACT/SAT; scores are NOT accepted by the NCAA if they are sent from LHS or included on the transcript. To accomplish this task, students should visit [http://www.actstudent.org](http://www.actstudent.org) and have their scores sent to the NCAA (school code #9999).

**Note of Caution:**
It is the student’s responsibility to ensure the classes they are taking will meet the outlined NCAA Eligibility Center needs. **ATHLETIC BEHAVIOR - LIGHTNING FANS**
In order for school athletic programs to be positive educational experiences, spectators need to be aware of the necessity for good sportsmanship and the means by which it is attained. All fans viewing high school contests are asked to:

- Show respect for the opponents at all times and treat them as guests.
- Show respect for the officials and judges. Good sportsmanship is the willingness to abide by and accept the decisions of the officials.
- Know, understand and appreciate the rules of the contest.
- Maintain self-control at all times. Keeping a proper perspective on the environment, the event and the level of competition is important.
- Recognize and appreciate skill and performance, regardless of the team. The ability to recognize quality performance and to acknowledge it without regard to team membership is one of the highest gestures of good sportsmanship.
- Observe league and state rules prohibiting signs and noisemakers and help focus on the positive benefits of high school athletics and activities.
- Cheer for your team; not against your opponent.
- Guests will not be allowed to bring open beverage containers to athletic events. At certain events, guests will not be allowed to bring in outside food, drink, or bags/backpacks.

The way to influence the behavior of other spectators is to be a model of excellent behavior. We appreciate your support and involvement.

ATTENDANCE GUIDELINES
Phone: 720-972-6896
In order to maximize academic achievement, students must attend class daily. A missed class presentation cannot be made up, nor can it be duplicated. Students must be present in class to fully assimilate the content. For these reasons, please schedule appointments for students after 3 p.m.
Legacy High School believes that students are responsible for their actions. We also understand that parents/guardians need to be kept informed about their students. Consistent participation in the education program is expected of all students. Regular school attendance is the single most important determining factor in student achievement and success. **The most common cause of academic failure is absence.** Because of the aforementioned beliefs, we have implemented the following attendance policies.

**Student Responsibility**

The student’s responsibility is to attend school for all the days of the Adams 12 Five Star Schools Official School Calendar. The student needs to appear in class on time, prepared for academic endeavor. The student should contact his/her teachers immediately upon return from absences to arrange to complete all make-up work assigned, and establish when this make-up work shall be completed. All assigned work needs to be completed in an acceptable manner. The work should be completed as assigned by the teacher when a prearranged absence is requested. The student must follow established school procedure(s) when enrolling in or withdrawing from class. **No early finals will be given at the end of the grading period.**

It is the student’s responsibility to obtain make-up work. Students have the number of days absent plus one additional day to make up any missed work for absences.

Exceptions to this policy for long-term assignments will be noted in the course syllabus.

**Parent/Guardian Responsibility**

Parents will monitor student’s attendance through the Infinite Campus Parent Portal. Parents/guardians need to recognize that any absence, regardless of cause, may have a detrimental influence on student achievement. Therefore, they should contact the school regarding student attendance via the established school procedure(s); and in the case of extended home confinement, request make up assignments through their counselor or teachers. **Please note that it is the parents’ responsibility to call the school within two days to inform the school about a student’s absence. It is the school's responsibility to identify each absence as authorized (excused) or unauthorized (unexcused).** The teacher’s record is the official attendance record. **Per Colorado State Statute, a school has the authority to accept or deny requests to excuse/authorize absences.** The parents/guardians need to maintain communication with their student regarding attendance and monitor the assigned make-up work of a student who has missed class. The parents/guardians should contact the school and request a conference with the appropriate teacher, counselor, or dean upon notification of an attendance concern. This policy will enable them to work cooperatively with the teacher and administrative personnel to resolve attendance concerns. The parents/guardians should recognize that the school depends upon them for their support to address attendance concerns.

According to Legacy High School policy, parents/guardians need to call in by the end of the second school day to excuse their student’s absence. Parents/guardians should be ready to present third party written documentation regarding the absence. Any absence reported after the next school day must be accompanied with this proper written documentation. **Third party documentation must be on the appropriate qualified professional’s official written communication and include the time and date of the absence(s). Documentation may be accepted from the courts, military, or medical notes. (These must be signed by a doctor who has prescriptive privileges, (doctors) M.D., D.O. (dentists) D.D.S., D.M.D., Psychiatrist or those who work directly under a specific doctor’s license such as a PA or Nurse Practitioner.)**

For prearranged absences, parents and students must get prior approval from the school (See section on prearranged absences). Parents/Guardians should also monitor the student’s attendance to ensure that the student is not excessively absent from school (See State Law notation under the Attendance Policy Section). Parents may access student attendance and class progress through Infinite Campus.

**Teacher Responsibility**

The teacher’s responsibility in regards to a student’s attendance is to maintain accurate daily attendance records and to record and report attendance to the school office on a class period basis per the guidelines established in the school. The teacher’s record is the official attendance record. The teacher needs to support and administer the make-up work procedures in a fair and timely manner to allow students the opportunity for completion of work. When a student’s academic performance is affected by his/her attendance, teachers will call a parent or schedule a conference with the student and parent regarding attendance in their classroom. The teacher will follow school guidelines with regards to enforcing the attendance policy. Teachers will publish the tardy policy in their Course Syllabus. All tardy consequences will be handled by teachers in their individual classrooms, unless repeated tardies become defiance of authority. Students arriving more than
10 minutes late will be considered Unauthorized Partial Absent (UPA). The teacher will also provide positive recognition to students who attend school regularly.

In accordance with Legacy High School’s attendance policy, the teacher will keep accurate records regarding students’ attendance. The teacher will make appropriate changes regarding student attendance if a student is late to class or leaves class early.

**Counselor Responsibility**
The Counselor will aid the Administrator/Dean who is handling the attendance issues of students, help in providing assistance to students who have been identified as having attendance problems, and provide options for students who are not experiencing academic success. The Counselor and Administrator/Dean will monitor students’ unauthorized and excessive authorized absences and contact students in accordance with the school policy when students are not meeting school requirements, are in jeopardy of not graduating, or are falling behind in credits in their grade level.

The Counselor will contact students whose attendance is affecting their academic performance. This contact will be documented and the student and parent will be made aware of his/her academic progress in regards to graduation. The Counselor will check the student’s schedule and make sure it is academically appropriate and help the student understand the ramifications of further absences.

**Administrator/Dean Responsibility**
The Administrators/Deans will develop a comprehensive building attendance policy. This will include monitoring individual attendance with teachers and counselors to ensure implementation of procedures developed in accordance with Superintendent Policy 5020 when any student is absent on a regularly scheduled school day. The parents or guardians, and student will be provided information about the school and district attendance policy and procedures, as well as information about their student’s attendance record when requested. The school will require from parents, guardians or legal custodians written acknowledgment of having received school and district attendance policies/procedures. The Administrators/Deans will authorize absences and follow through with consequences for unauthorized absences and excessive authorized absences after teacher interventions are exhausted. Assistance will be provided to students who have been identified as having attendance problems and positive recognition will be given to students who attend school on a regular basis. The Administrators/Deans will also file a copy of the school’s attendance policy and procedures with the Superintendent or designee.

**Attendance Policy**
- Teachers will take attendance within the first 10 minutes of every class.
- Student absences are authorized (excused) or unauthorized (unexcused) by Legacy High School. **Parents must call the attendance line, 720-972-6896, within two days to inform the school of a student’s absence. It is the school’s responsibility to identify each absence as authorized (excused) or unauthorized (unexcused).** Parents/Guardians are required to provide the school with an explanation of why a student is missing class. The appropriate administrator will decide if the absences are authorized or unauthorized.
  - Examples of authorized absences (with documentation)
    - A doctor’s appointment
    - Family emergencies (i.e. death in the family, etc.)
    - Absences required by a legal body (court, juvenile authorities or police)
    - Military obligations
  - Examples of unauthorized absences
    - Alarm clock failure or getting up late
    - Taking a family member to work or school
    - Traffic
    - Car trouble
    - Doing work for another class
    - Babysitting
    - Midday absences without documentation
    - Other excuses as deemed by Dean
- Parents/guardians may call the school and ask for absences to be authorized without documentation. The school may authorize up to five absences in a semester without requesting documentation. Parent/guardian must call within 2 days of the absences or the school may ask for documentation.
After five absences in a semester, the school will require proper documentation for any absence. Without documentation, the absence will be marked unauthorized (unexcused). Proper documentation (see previous explanation of proper documentation) must be turned in within three school days of the absence to be considered. All absences, at all times need to be reported to the attendance line.

The Auto-Caller will call home once a day on the first unauthorized (Unexcused absence, UNX) for the day. Parents will be encouraged to follow up and monitor the attendance of their student. If an UNX needs to be authorized, the parent should call to excuse the absence immediately. Parents, please make sure the school has the current phone numbers, and email addresses for our system to call.

Students are encouraged to make up all work they missed while absent, but a student may not be able to earn credit for work missed during an unauthorized absence.

Parents are to monitor attendance via Infinite Campus.

The Attendance Office will email an attendance letter home on the fifth absence.

Students who are truant will be assigned appropriate school consequences, which may include, but are not limited to, the following: learning modules, work detail, detention, suspension, referral to district truancy liaison, and/or district attendance hearing.

Continued unexcused absences will be considered defiance and discipline will progress. If the student is 17 or over, the Dean may notify the parents/guardians and student that he/she is being withdrawn from Legacy High School due to ongoing attendance issues violating the attendance policy. Students who are under 17 may be referred to a district attendance hearing and/or social services.

Students being withdrawn from school due to ongoing attendance issues may appeal the decision. The appeal must be in writing and filed to the appropriate Assistant Principal by the student and parent/guardian. All appeals must be filed within three school days of original notification.

Any student may be suspended for continued unauthorized absences, which is considered defiance of authority and truancy.

According to Colorado School Law 22-33-107, “As used in this subsection (3)(a), a child who is “habitually truant” means a child who has attained the age of six years and is under the age of 17 years having four unexcused absences from public school in any one month or ten unexcused absences from public school during any school year. Absences due to suspension or expulsion of a child shall be considered excused absences for purposes of this subsection (3).”

According to Colorado School Law 22-33-104. (5)(a), “The general assembly hereby declares that two of the most important factors in ensuring a child’s educational development are parental involvement and parental responsibility. The general assembly further declares that it is the obligation of every parent to ensure that every child under such parent’s care and supervision receives adequate education and training. Therefore, every parent of a child who has attained the age of six years and is under the age of 17 years shall ensure that such child attends the public school in which such child is enrolled in compliance with this section.”

Pre-Arranged Absences

Absences due to family vacations, educational experiences not sponsored by the district, and non-emergency appointments will be reviewed on an individual basis. The student’s attendance and academic record will be taken into consideration in making a determination. After the student has used 5 undocumented excused absences, the procedure below will be used:

- The student and the parent/guardian should pre-arrange these absences. Pre-Arranged Absence forms can be obtained in the Attendance Office. These absences may be determined to be excessive and may affect the student’s grade(s) and therefore, may be denied as an authorized absence. As a result, an attendance conference may be requested by the Dean of Students.
- Parents/guardians and students should carefully consider their decision to participate in any extended prearranged absence. For an extended prearranged absence, students must:
  - Obtain a pre-arranged absence form from the Attendance Office.
  - Obtain a parent signature.
  - Present the form to teachers for advanced recommendation and assignments.
  - Obtain a Dean of Students signature. The Dean of Students will take the student’s grades, attendance, discipline, and reason for absence into consideration before authorizing any absences.
  - Submit the signed form to the Attendance Office at least five days prior to the absence.

Pre-Arranged Absences
Excessive Absences
- Excessive authorized absences will impact the student’s academic progress and require school intervention. Legacy’s policy for excessive authorized absences is:
  - Five absences in a semester will qualify as excessive absence from a class and an email will be sent home to the parents.
  - Ten absences in a year will qualify as excessive absence from a class and put the student in violation of the attendance policy. The student may be referred to a district hearing.
  - No early finals will be given at the end of the school year. All students are expected to be in attendance through the last school day as established by the published district calendar.

Students may not have any unauthorized absences on the day of a school-sponsored activity (athletics, performances, etc.) to be eligible for participation. School approved activities will be considered authorized absences.

Tardy Policy
All tardies and consequences will be handled in each individual teacher’s class as described in the Course Syllabus unless it becomes a defiance of authority issue. A tardy is defined as coming late to a class within the first 10 minutes. After 10 minutes the absence will be marked UPA (unexcused partial absence).

BOOK DEPOSITORY
Students must have a current and identifiable school ID in order to check out textbooks from the Book Depository. Students are responsible for all items checked out using their student ID. It is necessary that the book assigned at check-out time is the same book returned at check-in or a replacement book fine will be assessed. It is suggested that students make a note of their book numbers at check-out time in order to ensure that the book in their possession is the correct one. Textbooks are checked out by semester/year and are due the day the class concludes. Chosen readings are books, such as novels, that a teacher has assigned to their class. Due dates for chosen readings will be set up by the teacher. The maximum check-out is six weeks. It is the student’s responsibility to return all textbooks in a timely manner. Upon check-out of any textbooks through the Book Depository, it is imperative that each student assess the book for any pre-existing, undocumented damage. This includes: water/liquid marks, writing, drawing, missing pages, broken binding, cover damage, and any other significant damage to the books. If this damage is not reported, the student will assume the responsibility of the fine for said damage. If a student has damaged a book in his/her possession, a fine will be issued. All books must be returned by the last day of school. A fine for the entire cost of any book not returned will be issued. You may return books throughout the summer during building office hours. Charges will be removed for books that are returned. Damages will be assessed in early August, after the Book Depository Clerk returns for the next school year. Replacement fees are paid at the business office. ALL appeals (for textbook fines) must be made in writing.

The Book Depository and a textbook drop-box are located downstairs, below the LMC. Hours for the Book Depository are posted on the door.

BUSINESS OFFICE
Telephone: 720-972-6732
The Business Office collects all fees and fines from students. This office will not be available for cashing checks or making change. Business Office hours are posted at the window and on the school website. If you have difficulty paying the student fees, please contact the Office Manager or Bookkeeper for assistance.

CAMPUS SECURITY
The role of the campus security officers is to be aware of and to assist school personnel in maintaining security, safety, and discipline as they relate to the students and our campus. (Secured Entrance Information)

CANINE SEARCHES
In an effort to discourage the use of drugs and alcohol, Legacy High School may employ canine searches with dogs provided by area police departments. If a dog stops at a locker or vehicle, school personnel will conduct a search. If any illegal substances or paraphernalia are found, normal discipline procedures will be followed. Legacy High School continues to take a strong stand against drugs and alcohol. Canine searches are intended primarily to help identify problems so that we can help students find solutions. If the dog’s handlers indicate there is a need for a search, whether or not there is an illegal item found, parents will be notified.

Students using cameras, personal technology and/or personal communication devices to take pictures, images, or audio recordings of another person in school, on school grounds, or at away school-sponsored events without permission will receive disciplinary penalties. Such cases may also be referred to police.

Under all circumstances, students shall be personally and solely responsible for the security of their cell phones and personal electronic devices. Legacy High School shall not assume responsibility for theft, loss, or damage of any such device and will not be responsible for investigation of such incidents (these include, but are not limited to, the following: cell phones, iPods, tablets, laptop computers, PSP devices, or any other related device.) If brought to school and interfering with the educational environment, not only could the student receive discipline, these items may be confiscated and held for parent pick-up.

Meeting with a Counselor
Students may schedule an appointment to see a counselor. Students are encouraged to make appointments during free periods, lunch or after school. Parents/Guardians can initiate a meeting with a counselor via phone or email.

DANCES
The following guidelines will be in effect at all Legacy High School sponsored dances. These guidelines will help ensure safety, security, and guarantee an enjoyable time for all.

• Dress must be appropriate for a high school dance. Determination is subject to the discretion of school administration. Those students not complying will be allowed to go home and change into more appropriate attire. Contact the Dean’s Office prior to the dance if you have questions about the dress code.
• Adams 12 policies (Student Dress Code) and Legacy High School Rules and Regulations will be followed.
• Guests must be approved and will be allowed to attend at the discretion of the Legacy High School Administration. Forms can be picked up in the Attendance Office up to 10 days before the event and MUST be returned to the Attendance Office no later than three school days prior to the dance. Guests must also provide their school/Colorado IDs. Students who bring guests are responsible for their guest’s behavior during the dance/activity. The Legacy student and guest are expected to arrive together and remain together for the entire activity.
• All guests of LHS students must be high school age, up to and including 20 years of age. This includes Prom and Homecoming.
• For Prom, 9th and 10th grade LHS students are considered guests of a junior or senior and therefore must have a guest pass completed in order to attend Prom.
• Any student who is suspended or expelled during the time of a scheduled dance will not be allowed to attend the event.
• If students leave the dance, they will not be allowed to return.
• Parents are welcome to stop by for photo opportunities.
• Parents may volunteer to be chaperones. Please bring government issued photo identification to the main office and fill out a volunteer packet three days prior to the event.
• Students will be required to show their school ID as they enter the dance.
• Dance moves need to be appropriate for a high school dance.

DEANS
Telephone: 720-972-6717
The Deans’ primary responsibility is to monitor the climate and culture of the school in order to maintain a safe learning environment. The Deans will address discipline, security, and safety issues which cause a disruption. Attendance issues will
be addressed by the Deans after teacher interventions have been exhausted. Students who have a school safety or security issue should report to Student Support Services (formerly the Attendance office).

**DELIIVERIES**
In order to create and maintain an educational setting which values learning and to cause the least disruption to the school day, we ask relatives/friends to **not** send deliveries to students at school. These deliveries would include balloons, flowers, teddy bears, etc.

**Lunch or food items will never be accepted from an outside service (such as Uber or Lyft) for delivery; no such delivery personnel will be allowed on Campus.** Other items that are delivered will remain in the Main Office until the end of the school day at which time a student may claim the item to take home. Classes will not be interrupted, nor will students be allowed to carry items with them throughout the day and into the classroom. Please help us in maintaining an academic environment by celebrating important family events at your home.

**DISCIPLINE**
Every student must consider the effect his/her behavior has on others and the school climate. If the effect is detrimental or otherwise offensive to others, the behavior may be subject to disciplinary consequences. The intent of the Legacy High School staff is to be corrective with disciplinary actions and to help students modify unacceptable behavior. Prior to considering the range of disciplinary actions, the following factors will be considered:

- the severity of the action
- the circumstances involved
- the number of prior offenses
- and the requirements of the law and Adams 12 Five Star Superintendent Policies

**Note:** A student who is suspended will not be allowed to participate in or attend any school-sponsored activity during the time of suspension. Students suspended on a Friday will regain eligibility for all activities once they regain student status on the next scheduled school day. Any suspended or expelled student on school grounds or at a school-sponsored activity will be issued a trespassing ticket by the local law enforcement.

When a student has been suspended for two days or longer, the parent and student are required to have a conference with the student’s dean when the student re-enters school. Students who commit a crime at Legacy High School will be required to pay restitution, referred to legal authorities, and disciplined as per the Legacy High School matrix.

**DRESS CODE**
In order to promote a safe environment that focuses on education and minimizes distractions students are expected to abide by the following general guidelines as identified in Superintendent’s Policy 5060.

Restrictions upon freedom of student dress will be imposed, at the discretion of school administration, whenever the mode of dress in question is potentially unsafe for the student or others, or is likely to be disruptive, distracting or cause interference with the educational environment of the school. More specific information can be found in the linked Superintendent’s Policy.

In addition, students wearing hoodies are not allowed to have the hood up while on school premise.

Dress guidelines for special events or school-sponsored purposes, including but not limited to dances, extra-curricular activities, and fundraisers shall be at the discretion of school administration based upon the nature of the particular event. Students may avoid the risk of being asked to leave or change clothing at an event by having attire approved in advance by an administrator.

**DRUG AND ALCOHOL TESTING**
In an effort to increase the safety and security for Adams 12 Five Star students, we have added the use of breathalyzer and drug swab testing systems at the secondary level. Please be aware that Adams 12 students may be subject to testing on school grounds or at any school function. Tests may be given as a result of information or behavior which creates reasonable suspicion of drug/alcohol use. This includes anonymous tips and Safe to Tell reports. Please refer to Superintendent Policy 5040.
EARLY RELEASE
This time on Wednesday afternoon is used for faculty to collaborate on academic common course teams and/or to participate in staff development.

ELIGIBILITY
Students involved in athletics, cheerleading, poms, student government and select music activities at the state level must meet academic standards in order to gain and retain their eligibility for competition. **Students must not be failing more than the equivalent of .5 credit at the end of each week.** A student who receives two or more F’s will be ineligible for the next full week (Monday-Saturday).

Once eligibility is initially established, participating students will have their academic grades verified on a weekly basis in the following manner:

- **Thursday:** Teachers post student grades in Infinite Campus.
- **Friday:** Information is collated and coaches/sponsors are notified.
- **The following Monday:** Ineligible students may not participate in games/contests beginning Monday through Saturday night. Students will still be expected to attend practices.

Legacy’s first weekly eligibility report will be distributed on the last Friday of August.

Students receiving an “F” in more than .5 units of credit at the end of the semester will be ineligible for approximately the next six weeks (per CHSAA guidelines). Specific dates for regaining eligibility status can be found on the Athletic Department website.

EMERGENCY CLOSING/WEATHER UPDATE
In case of inclement weather or emergency situations resulting in dismissal of school, information will be posted on the District website, www.adams12.org, and announced on radio and TV stations as soon as possible.

EMERGENCY PROCEDURES
In the event of an emergency during the school day, students need to follow the directions provided to them from their teachers and/or other appropriate Legacy High School staff members. Information will be provided via the intercom as deemed necessary. In order to prepare in the event of a real emergency, periodic drills for fire, tornado, lockout, or lockdown will be conducted.

FEES
All fees will be billed in early August. Course fees will be reconciled after the drop window closes. Typically this is 5-10 days after the start of the course. Account adjustments will be made at that time. Anyone enrolling in November will be asked to pay fees upon entry.

Surplus balances will be applied to any outstanding balances. Any remaining surplus will be refunded according to District Policy 5630.

Almost all fees are entered through Infinite Campus with specific due dates. We ask you to check the Parent Portal frequently as membership dues, activities, and fines are billed in this manner.

A paper billing statement will be mailed out in October to all students and in March to any transitioning students (elementary to middle, middle to high school, and seniors). At all other times of the year, any student with a balance due on their account will receive an electronic billing statement on the 20th of the month. Please be sure your email is up to date so you can keep informed.

Students qualifying for free/reduced meals might also qualify for free/reduced school fees. In order to have your fees adjust, you will need to fill out and submit an Information Release Form for a qualifying school. This form must be submitted each school year. Fees will automatically adjust according to your qualifying status. Be aware that not all fees qualify for a reduction. The form can be found on the district website.
Optional items such as parking permits, lockers, and activity passes can be purchased at the business office during the school year. Accounts must be current in order to purchase these items.

You can also find more information regarding fees by going to the Adams 12 website and review District Policy 5630. You can also search fee schedule to see district approved fees for the school year.

**FINAL EXAMS**
Finals are given at the end of each semester in December and May. No early finals will be given at the end of either semester. Students must make arrangements to take the final no later than the end of June if they miss the regularly scheduled May finals due to an authorized absence. All students will participate in a final exam or culminating project in every class.

**FOOD AND DRINK POLICY**
The goal of the food and drink policy is to maintain a clean school. Students may not have food or drink outside of the student commons area. Water is permitted in the classroom, as long as it is in a clear closed container. Food and drink can only be consumed in the classroom in conjunction with an academic lesson activity. Food and drink are never allowed in the LMC, auditorium, or computer labs.

**GIFTED AND TALENTED (GT)**
Legacy High School’s GT program evaluates students who have been nominated for identification. The program assures that all teachers of identified Gifted and Talented students are notified of each student’s identification and areas of giftedness. Students will develop goals for the year and work with a mentor teacher to achieve their goals. Financial assistance is available for advanced classes and enrichment activities that are offered through the school. Mini-grants can be provided to identified GT students so they can pursue their special interests outside of Legacy High School.

**GRADING POLICY**
It is the responsibility of teachers to maintain accurate and consistent grading records for all students in all classes. The district grading scale is listed below. Grading scales will be published on Course Syllabus sheets.

**GRADE REPLACEMENT**
Students who fail or receive a low grade in a class may retake the class on a space available basis. The student will be awarded the higher grade and the GPA will be recalculated. Upon verification of successful completion, the prior course grade will be replaced with “NG” and the new course grade and credit will be listed in the transcript under the corresponding semester. Grade replacement is not an option for maintaining valedictorian or salutatorian status. Per superintendent policy, “students who wish to enhance their academic standing by re-taking a previously passed course for grade replacement” are not eligible for a PE waiver.

**GRADUATION REQUIREMENTS**
Graduation requirements have been established by Legacy High School and the Board of Education to ensure a well-balanced program to meet the challenges of our society. These requirements allow and encourage a wide range of electives to prepare for post high school work, training, and advanced study. All students will register for a minimum of six credits each school year.
Students and parents/guardians should consult the Legacy Registration Guide for specific requirements within each of the areas. Service Learning is encouraged for graduation. See the Service Learning section of this handbook for further details.

PARKING
At Legacy High School, we have provided parking for students, staff and the community. Areas for each of these groups have been identified (see Student Drop-off/Pick-up Locations). Areas have been separated to create the best traffic flow patterns.

We have 683 parking passes sold on a first come first served basis. Once those passes have been sold, parking passes will no longer be available.

School Year Parking Permit $50 Any time during 2nd semester $25

All vehicles parked on campus must be registered through campus security. Upon approval, students may purchase a parking permit from the Business Office. To register your vehicle, you must provide a current registration form, a current proof of insurance form, a copy of your driver’s license, and a completed registration form with all information complete and accurate. No permits will be refunded. If you lose your permit, you must purchase a replacement permit. Student parking passes are limited to the number of spaces available and are sold on a first come, first served basis.

Students will park in the west parking lot. Students who park in the south or east parking lots will be ticketed. Staff will park in the east lot and visitors, administrators, deans, and counselors will park in the south lot. Parking is a privilege and can be revoked for any detrimental or offensive behavior at any Legacy event or during the regular school day. Although this action would normally be temporary, it could become permanent if the student does not choose to modify unacceptable behavior patterns.

School administration reserves the right to search any vehicle driven on school grounds, district property, or school activity and contents within, at any time. Legacy High School assumes no liability for damage to, or theft from, vehicles parked on school grounds. Access to the parking lot will be during passing periods only. Students may not sit in parked vehicles or loiter in the parking lots during school hours or at school activities. Visitors may not loiter in the parking lots. The driver and/or owner of a vehicle is responsible for anyone in his/her car at any time.

Students will be ticketed and may lose their parking privileges for the following violations or any violations listed on the parking permit contract signed when you purchased your permit:

● Blocking traffic
● Parking in handicapped spaces (Parking in these areas may also subject students to fines by the police department.)
● Having an unregistered vehicle on campus or not displaying the assigned parking permit
● Littering
● As a result of school discipline or attendance issues

Violations will result in a warning sticker and or tickets of $10, $20, $30 and eventually the loss of parking privileges for a period of time (District policy has changed on this. See Fee Schedule). In addition, students could face disciplinary consequences ranging from work detail to suspension to expulsion and/or a ticket from the Broomfield Police Department.

Students who purchase LHS parking permits must agree to and abide by the following contract:

Parking on campus is a privilege that may be revoked for inappropriate or dangerous behavior. Permission to park on school property is made pursuant to the following conditions:

● Parking stickers/hangers must be visible at all times. Avoid placing permit in tinted areas. Do not place in an area that blocks the driver's view in any way.
● Parking will be confined to designated student parking areas only and must be parked within the confines of a single parking space. Student's car may be towed from the staff or visitor lots.
● It is suggested that vehicles be locked as a safeguard. LHS assumes no responsibility for losses to the vehicles or contents, including parking permits.
● Loitering in the parking lot or sitting in cars before, during, after, or between classes is not permitted.
● Drivers must park cars in parking areas while waiting for passengers.
● Drivers are responsible for passenger(s) behavior.
● Violations of reckless or careless driving that endanger student safety will result in loss of parking privileges the remainder of the school year.
● Please remember all driving laws are in effect: i.e., many of the traffic lanes are one way, the speed of the parking lot is **10 mph**, everyone in the car must be wearing a seatbelt, etc.
● LHS assumes no responsibility for any loss or damages.
● Replacement permits are $30 ($25 during second semester). If lost, the driver is responsible for purchasing another permit. It is the responsibility of the student to report lost or stolen permits immediately. The lost permit will be invalidated and not usable on campus.
● **Permits will not be refunded for any reason. Parking permits are not prorated.**
● Violators of these regulations are subject to suspension, revocation of permit, fine, district discipline referral and/or towing at owner’s expense.

In order to qualify, students must have successfully completed a CHSAA sponsored sport, spirit squad, or marching band program. Students who want to submit an application for a PE waiver should see their school counselor for details. Approval of PE waivers will be based on meeting the criteria found in Superintendent Policy #6330. Seniors applying for a waiver should do so prior to or during the first quarter. By policy, PE waivers will NOT be approved for those students pursuing early graduation.

PE waivers will be discontinued for students graduating in the class of 2021 and beyond. This includes students who are in Legacy 2000.

RECLASSIFICATION PROCEDURES FOR SENIORS
Students who finish their junior year with less than 16.0 credits will be re-classified to a junior status for the following school year. Students who have earned above 16.0 credits by the yearbook photo deadline may be allowed to have their photo included in the senior section of the yearbook, pending administrative approval. Students who were reclassified as juniors and have earned at least 19.0 credits by January 1st of the school year will regain their senior status for the school year.

All students who finish their junior year with less than 16.0 credits will be required to develop a plan for graduation with their counselor.

REFUND POLICY
Refunds will be given for the following items if the following criteria are met:
**Athletic Fees** will be refunded if the student does not make the team. All other refunds will be made according to the District Athletic Fee Refund Policy. See the Athletic Secretary at the business window for a refund form.
**Textbook replacement fines** will be refunded only if the book is returned without damage.
**Surplus Balances** will be refunded per Superintendent Policy **5630**. Surplus balances $25 or more will be processed for a refund twice a year, once during first semester (November) and once during second semester (March) unless extenuating circumstances exist. Students leaving Adams 12 Five Star Schools will receive a complete refund of any surplus if no fees are due.
SCHEDULE ADDITIONS/CHANGES
Once registered, students may request a change during the first five days of school for the following reasons:

1. Failed a class or have not taken prerequisite
2. Physical disability (must have doctor’s note)
3. Previously earned credit in same class

Students requesting a change should make an appointment with a counselor. Please note that changes requested for reasons that are not listed above (including, but not limited to, job conflicts, workload concerns, or athletics) will not be able to be accommodated.

Note: A “withdrawal” from class after five days is a “WF” (withdrawal fail) and is computed into the cumulative grade point average. Until a schedule change is approved, the student must continue to attend all classes on his/her schedule.

SCHOOL RESOURCE OFFICER
The School Resource Officer program is a cooperative program between the Broomfield Police Department, Adams 12 Five Star Schools, and Legacy High School. The program provides a full-time police officer to the school to help educate and protect members of the school community. It allows students and staff the opportunity to interact with a member of the law enforcement community on a regular and positive basis. The SRO program also assists the school in responding to situations of concern. When students engage in behavior that may be against the law, the School Resource Officer will be notified and will make a determination as to possible charges.

SCHOOL SAFETY
In an effort to ensure safe and secure schools, Adams 12 has developed numerous crisis intervention plans. Students and staff participate in drills related to most of these concerns: fire, tornado, bus evacuation, lockdown, lockout, etc. District personnel and area law enforcement are always involved in the decision process when any of these actions are implemented. It is imperative that any threats against the school, the staff, or the students be taken seriously. Please remember the importance of choosing words carefully when angry or stressed.

SAFE 2 TELL – Toll Free Hotline: 1-877-542-7233. Safe 2 Tell: This link is on the LHS website
Safe 2 Tell is a nationally recognized program that allows students to provide tips to the administration regarding crimes.

SERVICE LEARNING
Legacy High School recommends that all students participate in service learning prior to graduation. Giving time to the community will enrich the student’s life while benefiting the community. In addition, many colleges look at service learning hours when determining scholarship eligibility. It is recommended that students keep track of their service learning hours as they are not placed on the transcript.

SKATEBOARDS/LONGBOARDS/BIKES
These items cannot be used in school or on school grounds. They may be confiscated and made available for parent/guardian pick-up if used inappropriately. Students must secure skateboards in their locker or use the longboard racks located in the G hallway. Bikes must be secured to the bike racks located on the west and east sides of the school. Students are encouraged to use locks to secure their items; Legacy is not responsible for stolen or damaged items.

STAFF CENTERS
Teacher offices are located in four areas throughout the building. In these staff centers, the teachers are committed to creating an environment conducive for teacher and student interaction for the purpose of academic counseling.

In addition, teachers expect a setting in which they are able to perform their other teacher responsibilities. With these goals in mind, students are asked to conduct themselves appropriately when in the staff centers and are not to be in a staff center without a staff member in attendance.

STUDENT ASSISTANCE FUND
The Faculty Advisory Council has a limited fund to assist students who wish to expand their learning experiences. This fund is intended to give aid to students who, due to financial circumstances, would not otherwise be able to attend or
participate in school-related programs, take entrance exams, or apply for college admission. Funds may be used to help in the payment of tuition, fees, materials, transportation and/or any other costs necessary for the student to participate. Applications are available in the Main Office and must be turned in on the first school day of each month, at least three weeks prior to the event. The last request must be turned in by the last school day in April.

STUDENT ASSISTANTS
Students may sign up to be a teacher’s assistant or an assistant in one of the various school offices during one of their free periods. Students may only take one period of Teacher Assistantship per semester and it cannot replace their lunch period. Students may not drop a class in order to become a student assistant. Interested students may sign up in the Counseling Office during the first 10 school days of each semester. Any Teacher Assistantship starting after the first 10 days of the semesters requires Administrative approval for credit. Students will earn .25 credit for being a student assistant and will be graded on a pass/fail basis. Students may sign up to be a student assistant by contacting individual teachers. Only one of the six elective credits may be earned through student assistantship. Students may apply a total of 1.0 credit of Student Assistant toward the 6.0 electives required for graduation, and may have no more than one student assistantship per semester.

STUDENT COMMITMENTS AND BEHAVIORS
We have collaboratively developed commitment statements to make our vision a reality. This involved students, parents, community members, and staff to articulate the following attitudes, behaviors, and commitments that must exist for us to advance toward our vision. Student commitment statements are:

▪ Students will be a part of the collective effort to create the school described in the Legacy High School mission and vision.
▪ Students will respect Legacy High School in a manner that reflects pride and students will be positive representatives of the school and community.
▪ Students will take charge of their education, showing active responsibility toward learning.
▪ Students will respect fellow students and recognize diversity of interests and cultures within the school community.
▪ Students will respect the rights and requests of others and honor the leadership of our teachers and administrators.
▪ Students will promote safe and healthy lifestyles for all.
▪ Students will maintain a balance between academics and co-curricular activities, with their best effort in all endeavors.
▪ Students will be involved in the community.

STUDENT DROP-OFF/PICK-UP
Parents/guardians are asked to drop-off or pick-up students in either the SOUTH or WEST side parking lots. Drivers are asked to pull as far forward as possible and stop only momentarily to load or unload passengers. If parents need to wait for a student, they are asked to park in the SOUTH VISITORS lot in an identified parking space.

We want to remind you as part of our continuing effort to ensure the safety of all students, students will only be released to parent(s)/legal guardian(s) prior to the end of the school day. If your child will be checked out before the end of the day by someone other than a parent/legal guardian you must contact the school office prior to the child being released. If we have not heard from you in advance we will attempt to contact you. If we are unable to contact you, the child will not be released and will remain at school until the end of the day.

STUDENT AND FAMILY OUTREACH PROGRAM
The District Student and Family Outreach Program believes that all students hold the strength and potential to thrive. Our mission is to remove barriers that keep students from being engaged and thriving in school by offering the following supports:
▪ provide homeless education services
▪ connect families with needed community resources (food, clothing, utility assistance, etc…)
▪ provide Health First Colorado (Medicaid) and Child Health Plan Plus (CHP+) application assistance to families
▪ provide bilingual assistance
If you would like more information please contact the student and family outreach program at 720-972-6015 or make a referral online at www.adams12.org/sfop

STUDENT RECORDS
In accordance with federal law and Superintendent Policy 5300, parents or legal guardians may inspect the records of their students (request to review shall be in writing). The school reserves the right to have appropriate staff present to interpret
the contents of the records. In accordance with school district policy, parents may challenge, in writing, the contents of the records.

Student records may be released to the following persons:
- Parents or legal guardians (for those under 18)
- Students (18 and over)
- Officers or employees of public, private, or parochial schools where the student attends or intends to enroll
- The Colorado Commissioner of Education or the district superintendent and members of their staff
- Law officers and court officials with appropriate release forms. In addition, records shall be furnished in compliance with a judicial order or pursuant to any lawfully issued request
- A recruiting officer for any branch of the US Armed Forces with a signed release

Student records are the property of Legacy High School. Official student records will not be released until student fines have been paid. Graduated students can access their records through the Adams 12 District offices.

SUICIDE PREVENTION
Protecting the health and well-being of all students is of utmost importance to the Adams 12 Five Star School District. Superintendent Policy 5520 addresses suicide assessments as a priority to protect all students. Adams 12 will treat all threats or attempted suicides as serious regardless of the degree of lethality involved. When a student threatens or attempts suicide, the Adams 12 personnel will follow Superintendent Policy and respond accordingly.

The following steps have been taken to help protect all students:
1. Students will learn about recognizing and responding to warning signs of suicide in friends, using coping skills, using support systems, and seeking help for themselves and friends.
2. When a student is identified as being at risk, he or she will be assessed by a District mental health professional who will work with the student and help connect the student to appropriate local resources.

Students will have access to national and local resources which they can contact for additional support, such as:
- The National Suicide Prevention Lifeline — 1.800.273.TALK (8255)
  [www.suicidepreventionlifeline.org](http://www.suicidepreventionlifeline.org)
- Colorado Crisis Support — 1.844.493.TALK (8255)
- Second Wind Fund, Inc — 720.962.0706 [www.thesecondwindfund.org](http://www.thesecondwindfund.org)

4. All students will be expected to help create a school culture of respect and support in which students feel comfortable seeking help for themselves or friends. Students are encouraged to tell any staff member if they, or a friend, are feeling suicidal or in need of help.

5. Students should also know that because of the health and safety impacts of these matters, the confidentiality and privacy rights of individuals will be respected but concerns are secondary to seeking help for students in crisis.

6. For a more detailed review of District processes, please see the District’s full suicide prevention guidelines document.

7. Additional resources for parents are located on the counseling website under the “Suicide/Depression” resources tab.

Once a request is received, LHS will send the transcript within one week. The majority of transcripts will be sent electronically from LHS to the appropriate college/university via Naviance. In the rare case that electronic transcripts are not accepted, LHS will mail a transcript. Please note that scores from the SAT and/or ACT may appear on transcripts; please consult the “Assessment” section of this handbook for more information.

TRANSLATION SERVICES
Schools are responsible for arranging translation services for discipline actions, parent/teacher conferences, back to school/open house events, communication regarding routine or non-emergency medical health, attendance, or academic performance questions. Please contact the school office if you have any questions regarding this district service.

UNSCHEDULED TIME
All students who do not have a class but remain on campus will report to the Commons, Library or be working directly with a staff member.

VALEDICTORIAN/SALUTATORIAN
The Valedictorian and Salutatorian will be determined by grade point average at the completion of the third quarter of the senior year. Students graduating must complete courses totaling a minimum of 24 credits and at least two must be college level (Advanced Placement, CU Succeed, etc.). Students must be enrolled as a full time student at LHS a minimum of three consecutive semesters prior to graduation and be in good standing. Students qualifying for Valedictorian or Salutatorian may not have any grade replacements or academic pass-fail courses.

VISITORS
Legacy High School takes every opportunity to help keep our school safe and secure. Schools in Adams 12 are utilizing the Raptor visitor tracking system. This system scans a visitor’s driver license/identification card and compares it to a law enforcement database. It also monitors registered sex offenders and should a visitor be identified, school security is immediately notified. Parents/guardians are welcome to visit the school at any time. All visitors are required to present a government issued photo ID as soon as they arrive on campus. Visitors will check-in through the secured vestibule (on the South side of the building). Visitors trying to enter the school through the West or East entrances will be re-directed to the South entrance. Visitors will be escorted to their destination. Student visitors, including siblings, are not allowed. Visitors must also sign out through the secured vestibule upon completing their business. Should a student encounter an individual on campus, who does not have a school ID or visitor’s badge, the student should immediately notify any available adult.

VOLUNTEERS
Volunteers are required to fill out a district Volunteer packet and submit it the main office prior to any volunteer service. State issued IDs will be scanned upon receipt of the completed packet.

WEIGHTED GRADES
Weighted grades will be assigned to courses with the Advanced Placement (AP) designation or courses which require an AP course as a prerequisite. **Students who do not take the AP exam will not be eligible for weighted grade status.** Students transferring to Legacy High School may have that grade weighted if the course was an Advanced Placement course only. Weighted credit must be requested upon transferring the grades and approved by the administrator in charge of curriculum and instruction.

The following point scale will be used to compute grade point average.

Notification of Rights under the Family Educational Rights and Privacy Act (FERPA) & Colorado Open Records Act (CORA) (District Policy 5300)

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the School receives a request for access. Parents or eligible students should submit to the School principal a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records, that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. Parents or eligible students who wish to ask the School to amend a record should write the School principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to privacy of personally identifiable information in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, teacher, or support staff member (including but not limited to paraprofessionals, transportation personnel, health and law enforcement unit personnel and before-and-after-school program personnel); a member of the school board; a person, agency or company with whom the District has contracted, or otherwise arranged to perform a specific task or service; or, a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another “school official” in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student’s enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the office that administers FERPA are: Family Policy Compliance Office

U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

Additionally, the Colorado Open Records Act generally requires education records to be furnished within 3 days of the day the School receives a request for access.
FERPA Notice for Directory Information (District Policy 5300)

FERPA requires that the District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child’s education records. However, the District may disclose appropriately designated “directory information” without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the District to include this type of information from your child’s education records in certain school publications. Examples include:

- A playbill, showing your student’s role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student’s information disclosed without their prior written consent.

Parents and eligible students that do not want the District to disclose directory information from your child’s education records without prior written consent, must give written notice by October 1 of the current school year to the principal of the school in which the child is enrolled. The District has designated the following information as directory information:

- Student’s name
- Student’s Grade
- Photograph
- Dates of attendance
- Participation in officially recognized activities & sports
- Weight and height of members of athletic teams
- Major field of study
- Degrees, honors, and awards received
- Date and place of birth
- The most recent previous educational agency or institution attended

Notification of Rights under the Protection of Pupil Rights Amendment (PPRA) (District Policy 6510)

The Protection of Pupil Rights Amendment (PPRA) affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

- Consent before students are required to submit to a survey that concerns one or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED) – 1. Political affiliations or beliefs of the student or student’s family; 2. Mental or psychological problems of the student or student’s family; 3. Sex behavior or attitudes; 4. Illegal, anti-social, self-incriminating, or demeaning behavior; 5. Critical appraisals of others with whom respondents have close family relationships; 6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers; 7. Religious practices, affiliations, or beliefs of the student or parents; or 8. Income, other than as required by law to determine program eligibility.

- Receive notice and an opportunity to opt a student out of – 1. Any other protected information survey, regardless of funding;
2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and

3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

• Inspect, upon request and before administration or use – 1.
  Protected information surveys of students;
  2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
  3. Instructional material used as part of the educational curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

The District has developed and adopted policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. The District will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. The District will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. The District will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement:

• Collection, disclosure, or use of personal information for marketing, sales, or other distribution.
• Administration of any protected information survey not funded in whole or in part by ED.
• Any non-emergency, invasive physical examination or screening as described above. Parents who believe their rights have been violated may file a complaint with:

Nutrition Services (District Policy 3700)

Nutrition Services (District Policy 3700) District Policy 3700 and its subsections describe the requirements for the National School Lunch and Breakfast programs and Adams 12 Five Star Schools’ commitment to promoting good nutrition and ensuring safe food practices. Information about free or reduced price meals, costs of meals, a la carte food offerings, nutritional content of foods, and student meal accounts is available at each school’s kitchen or administrative office. Information may also be found, including the below meal charge procedure, on the Nutrition web page at http://www.adams12.org/nutrition

United States Department of Agriculture (USDA) Food and Nutrition Services (FNS) has determined children and their families must be informed about how children who pay full-price (paid rate) or reduced-price for a reimbursable meal are impacted by having insufficient funds on hand or in their account to purchase a meal. There is no Federal regulation that require school districts to serve meals to a child who does not have sufficient funds to purchase one; however, Five Star Schools Nutrition Services has developed a practice to address this issue. Meal charge privileges are at the discretion of Nutrition Services and evaluated on an annual basis. The following standard practices are to be utilized when handling unpaid meal account balances, the collections of delinquent meal payments and uncollectible delinquent debt or bad debt.

Charged meals are directly applied to the student’s meal account within the point of sale system. Students are not allowed to charge a la carte items, however they may purchase these items with cash in hand.

● Grades K-8: Charged meals are allowed up to a negative $15 balance.
● Grades 9-12: Charged meals are allowed up to a negative $10 balance.

Complimentary meals are recorded in the student’s meal account within the point of sale system. If a complimentary meal is served, the household may be notified. Parent/guardians are provided with the amount due and payment options, as well as meal benefit applications, if needed.

Account Management and Payment Options Prepayment is encouraged via cash, check, or online at payforit.net. At Payforit, parents may set low balance auto notification and auto replenishment payments. Nutrition Services highly recommends utilizing these account management features to ensure students always have funds available for purchases, excess funds can be refunded at any time by parent
request. Parents can also contact school kitchens directly to discuss account balances. As account balances decline, verbal reminders may be given to students.

Households are encouraged to complete a meal benefit application annually. Applications are available online at adams12.org, in the school kitchen and from the Nutrition Services office located at 1500 E128th Ave, Thornton, CO 80241. Meal charges are communicated via automatic emails to families for students with negative balances until the account is brought current. Additionally, the kitchen manager may place a personal call home or send an Outstanding Charge letter home to adults when charges accrue and/or when a complimentary meal is served. If patterns develop with students who consistently do not have money for meals, the Kitchen Manager may discuss this with Nutrition Services administration, School Principal, Counselor, or family to determine the best solution for the family.

Delinquent Debt As defined by USDA, delinquent debt includes unpaid meal charges that are considered collectible, and efforts are being made to collect them. Delinquent debt, or a negative balance, remains on the accounting documents (accounts receivable) until it is either collected or is determined to be uncollectible and written off. Nutrition Services considers student accounts with negative balances to be in delinquent status. During the time a student has a negative balance or delinquent debt, full or partial payments may be collected at any time online or with cash or check to bring the account current. Bad Debt Delinquent debts which have been determined to be uncollectible will be reclassified as “bad debt”. Nutrition Services considers student accounts with uncollectible delinquent balances to be “bad debt” when collection efforts have been unsuccessful after a student leaves the district or graduates. Repayment of “bad debt” is an unallowable expense for the NSFSA per USDA memorandum SP 47-2016; therefore, payment for this bad debt balance must come from other sources such as:

- Other non-federal sources
- The district’s general fund
- Donations
- Special funding from state or local governments

Nutrition Services recognizes that there may be occasions where community members or outside agencies not associated with the National School Breakfast or Lunch Program may want to make a donation with the purposes of funding meals for students who have exceeded the maximum charge limit. Regardless of their source, donations will be accepted and applied to district balances that have not been collected on an annual bases per Nutrition Services Donation Standard Practice.

Wellness Policy (District Policy 3720)

The three goals of this policy include: providing a learning environment for developing and practicing lifelong healthy behaviors, supporting and promoting proper dietary habits contributing to students’ health status and academic performance, and providing opportunities for students to engage in physical activity. Student conduct policies are available to all parents and students on the District’s website or by request through the administrative office at each school.

Representative stakeholder groups (students, staff, parents, and community members) in Adams 12 Five Star Schools have created a standard of practice as it relates to teaching and managing behavior called The Discipline Matrix. The information found in the matrix is intended to be a guide for staff members to teach and correct behavior. Lesser management strategies may be utilized as appropriate. Repeated acts of misconduct, more serious misconduct and/or extenuating circumstances may warrant a higher-level response. If you have specific questions regarding the matrix feel free to contact the Office of Intervention Services at 720-972-4146.

Board Policy directs that student discipline methods be clear, timely and consistently applied. Students should receive information about school discipline expectations within the first four weeks of each school year. Students who arrive after the first month of school should receive information individually or in small groups as soon as possible following enrollment.
**Student Due Process (District Policy 5010)**  
District Policy 5010 is a new policy created to more clearly explain due process rights students have in relation to student discipline matters. The policy identifies factors that the district administrators will consider in determining consequences or interventions for Code of Conduct violations, as well as providing an explanation of violations that will result in referrals to law enforcement. The policy further explains procedures for investigating student discipline matters, including those that may result in suspension, extended suspension or expulsion of a student, including those cases involving students with disabilities. The policy identifies procedures for suspension and expulsion and explains appeal opportunities as well as alternative to suspension or expulsion opportunities that may be available, depending on the circumstances at the time.

**Student Attendance (District Policy 5020)**  
District Policy 5020 provides specific guidelines regarding student attendance. The policy describes acceptable reasons for absences, makeup work procedures and potential sanctions for poor attendance. Colorado law (22-33-104 C.R.S.) regarding compulsory attendance requires students to attend school from the age of 6 until their 17th birthday. Please be aware that the district partners closely with local juvenile courts to intervene in the cases of students whose poor attendance constitutes “habitual truancy”, defined by Colorado law as having four (4) or more unexcused absences in a month or ten (10) or more unexcused absences during any calendar year period.

Attendance Works, a national non-profit initiative that promotes awareness of the important role that school attendance plays in achieving academic success, reports that nine out of 10 U.S. school districts experience some level of chronic absenteeism among students. Adams 12 Five Star Schools is one of many districts working to improve chronic absences for increased student success.

In the past, only unexcused student absences were tracked (truancy) in districts giving a false understanding of how absences affected student success. Adams 12 Five Star Schools considers excused and unexcused absences as well as suspension days when calculating chronic absences. A student is chronically absent when he or she misses 10 percent of schooling throughout the year – around 2 days per month.

**Student Use of Cell Phone and Other Personal Electronic Devices (District Policy 5030)**  
District Policy 5030 permits the use of electronic devices for personal, recreational, communication or instructional purposes under specific conditions. Violations of this policy may result in disciplinary sanctions up to and including expulsion from school, depending upon the severity of the violation.

In academic settings (classroom, library, labs, etc) electronic devices must be in the “off” or “silent” position at all times and stored out of sight except when utilized, as permitted by the instructor, as assistive technology, or as part of a student’s individual education program as determined by school administration or the teacher. Teachers may impose even further restrictions at their discretion in their class.

In non-academic settings, including at school activities or on school transportation, such devices may be used in “silent mode” provided the use of such device, as determined by the supervising staff member or bus driver, in no way disrupts, poses a safety concern or otherwise violates District Policy 5000, Student Code of Conduct.

Electronic devices may not be used in a manner which is potentially unsafe, illegal or otherwise might violate the Student Code of Conduct. Prohibited uses include but are not limited to creating video or audio recordings, or taking or sending photographs of students or staff without permission of the student(s) or staff member(s). Such devices may not be used for academic dishonesty or cheating. Such devices may not be used in any manner that disrupts the academic environment, or otherwise disrupts school activities or functions. Students may not depart a class to activate or operate such devices.

The typical progression of consequences for violations as described in the policy includes:

1st offense. The device should be confiscated and the parent should be notified. The device may be released to the student after the student reviews and signs the policy.

2nd offense. The device should be confiscated and the parent should be notified. The device may be released only to the parent after the parent reviews and signs the policy.

3rd or more offenses. Such offenses are considered disruptive behavior and should result in a minimum of one day of suspension to be served in or out of school at the discretion of administration. Subsequent violations may result in increasing suspensions of up to three (3) days.

Under all circumstances students shall be personally and solely responsible for the security of their cell phones and personal electronic devices. Adams 12 Five Star Schools shall not assume responsibility for theft, loss, or damage of any such device and will not be responsible for investigation of such incidents.

If unique circumstances exist warranting the need for a student to use a cell phone or personal electronic device, on a temporary basis, outside the guidelines of District Policy 5030, such requests should be submitted to the Principal in writing. The Principal’s decision regarding such requests will be final.

**Student Use of Computers, the Internet and Electronic Communications (District Policy 5035)**  
District Policy 5035 establishes guidelines for allowable use of the internet and other electronic media by students at school or on school equipment. Students are expected to take responsibility for their own use of District computers and computer systems, and should understand that the District may monitor, inspect, copy or review all computer use or access to computer systems including electronic mail, messages or other documents generated from District computers. Students should also understand that they may lose the privilege
of accessing the internet or using District computer systems for violating appropriate use expectations. Violations of computer use expectations may also result in disciplinary sanctions from school including suspension or expulsion for extreme or repeat violations, and may be referred for legal action as warranted.

Examples of prohibited types of electronic information includes but is not limited to accessing, creating or passing information that promotes violence, is pornographic or profane, is intended to bully or harass, or is used to cheat. The policy further prohibits a range of security-related violations including attempts to gain unauthorized entry into networks or to change district data records. The policy also addresses allowable student-generated content on school websites.

**Student Drug, Alcohol and Controlled Substance Offenses (District Policy 5040)**

School districts are required by law to adopt policies regarding use, possession and/or sale of drugs or other controlled substances in school, on school grounds, in school vehicles at school activities or while waiting to board or depart the bus.

Students may not knowingly use, be under the influence of, possess, bring, sell, solicit the sale of, transfer, distribute or supply a drug, controlled substance or drug paraphernalia.

Controlled substances include but are not limited to narcotic drugs, hallucinogenic or mind-altering drugs or substances, amphetamines, barbiturates, stimulants, depressants, marijuana, anabolic steroids.

Schools and law enforcement officials are trained and have the equipment to administer field sobriety tests. If a parent(s) disagrees with the determination of school or law enforcement officials that the student is under the influence of a controlled substance, the parent may seek an assessment that indicates toxicity levels within 24 hours of the incident at their own expense by a provider approved by the District. Self-admission by the student suspected of being under the influence of a controlled substance without a valid prescription constitutes sufficient evidence to proceed with disciplinary action.

Students are subject to disciplinary action up to and including suspension and expulsion for any single policy violation. Alternatives to suspension and expulsion may be offered by the school as appropriate depending on the circumstances of the violation. School officials are instructed to notify law enforcement regarding suspected violations of this policy and to cooperate with any investigation that may result.

**Student Tobacco Possession and Use (District Policy 5050)**

District Policy 5050 prohibits the use of all tobacco products on school property for students under 18 years of age, and prohibits possession of all tobacco products for students 17 or younger. Sanctions for violation of the policy increase in severity for repeat violations and may result in extended suspensions in extreme cases as identified in the policy. Tobacco products are defined as any form of tobacco that may be ingested by chewing, smoking or other means. Tobacco paraphernalia such as “hookahs” or electronic cigarettes are also prohibited.

Students who are trying to overcome tobacco addiction are encouraged to visit with their school counselor about resources that may be available to help them stop using tobacco.

**Student Dress Code (District Policy 5060)**

In order to promote a safe environment that focuses on education and minimizes distractions students are expected to abide by the following general guidelines as identified in District Policy 5060.

1. Shirts must be fitted and long enough to naturally touch the top of the lower garment and/or be tucked in; 2. shirts must cover the shoulders;
3. all attire should be sized to fit without exposing undergarments, buttocks, stomachs or cleavage; 4. shorts and skirts must be fingertip length when arms are resting at sides;
5. shoes/sandals must be worn at all times.

The following items or clothing are specifically prohibited:

a) Spaghetti straps, tank tops and halter tops;
b) transparent/mesh clothing;
c) garments, make-up or hair worn in a manner that makes a student’s face unidentifiable; d) exposed undergarments;
e) pajamas and house slippers;
f) shirts with revealing necklines or armholes;
g) shirts hanging longer than the fingertips when arms are fully extended;
h) hats, caps or sunglasses worn indoors;
i) gloves worn indoors;
j) hairnets, bandanas, and DOO-rags;
k) caps, athletic headbands and armbands (prohibited indoors except when the wearer is participating in a sporting event);
l) clothing or accessories that promote drugs, alcohol or tobacco either by brand or message;
m) clothing or accessories with sexually suggestive language or messages;
n) clothing or accessories that have pictures of guns or weapons, promote violence, criminal activity, intimidation or intolerance of others (based on religion, ethnicity, gender or lifestyle);
activities or manners of grooming indicative of affiliation with a gang, secret society or disruptive group as defined in District Policy 5080. This includes, but is not limited to clothing, gang-related colors or numbers, bandanas, sports logos/apparel, make-up, hats, emblems, trademarks, badges, insignia, logos, belt buckles, colored shoe strings, and jewelry;

q) trench coats and other like jackets capable of concealing weapons;

s) professional athletic team jerseys, and

t) Hair restraints, gloves, goggles, or other protective attire, determined by staff to be necessary for safe participation in vocational programs.

Dress guidelines for special events or school-sponsored purposes, including but not limited to dances, extra-curricular activities, and fundraisers shall be at the discretion of school administration based upon the nature of the particular event. Students may avoid the risk of being asked to leave or change clothing at an event by having attire approved in advance by an administrator. All middle and high school students are required to wear an unaltered visible school issued photo identification card (ID) on a school issued lanyard on their outermost garment above the waist during school hours, or at such times, locations, and activities specifically identified by the building principal.

Uniforms may be required with Superintendent approval. Students who violate or are suspected to be in violation of this policy shall be referred to school administration for investigation. Sanctions up to a five (5) day suspension may be imposed for any single violation of this policy.

Exception when other contributing policy violations or safety concerns exist, the typical progression of intervention for dress code violations is:

1st Offense – warning and education about the policy and the student being provided an opportunity to correct the violation. 2nd Offense – sanctions up to one (1) day out-of-school suspension and requirement that parent and student review and sign a statement indicating their understanding of the “Student Dress Code” policy.

3rd Offense – sanctions up to three (3) days out-of-school suspension and required parent meeting as a condition of re-entry for the purpose of reviewing the “Student Dress Code” policy and discussing the consequences of future violations.

4th or Subsequent Offenses – sanctions up to a five (5)-day out-of-school suspension for each repeat violation.

Additional factors as identified in Policy 5010 may also be considered in determining appropriate sanctions and interventions. The Superintendent authorizes the Executive Directors of Schools to grant WRITTEN waivers to this policy as appropriate.

Violence, Fights and Aggressive Behavior (District Policy 5070)

District Policy 5070 prohibits fights or other violent or aggressive behavior. Fights are defined as making offensive contact with another person. Attempts to make unwanted physical contact are also considered an offense for purposes of this policy. To avoid fights or aggressive interactions students are responsible to make all possible efforts to avoid the conflict and to seek the help of a staff member.

Policy 5070 further prohibits encouraging fights, videotaping or electronically sharing images of school-related fights, or helping arrange fights. Fighting offenses may result in consequences up to expulsion from school.

Gangs, Secret Societies and Disruptive Groups (District Policy 5080)

School districts are required by Colorado law to adopt policies regarding gang-related activities in school. District Policy 5080 defines a gang, secret society or disruptive group as a group of three or more individuals, whether formal or informal, sharing a common name, interest, bond, confederation, alliance, initiation practice, network, conspiracy, or activity characterized by criminal or delinquent conduct, whose members individually or collectively engage in or have engaged in a pattern of such activity.

Wearing, displaying or possessing items that signify identification with disruptive groups is prohibited on school campuses, at all school-sponsored activities, on all school transportation, and at all school bus stops. Any evidence reasonably demonstrating the existence of or membership in any disruptive group shall be admissible in any disciplinary action or proceeding brought by the District.

Examples of prohibited items, behaviors or actions which may be indicative of gang, secret society or disruptive group affiliation include but are not limited to:

1. Colors / Numbers – A common color or number used to represent affiliation with the disruptive group. Colors and numbers may be represented through, but not limited to, clothing, bandanas, nail polish, sports logos/apparel, make-up, or other items that display a “color” or number on a person or possession.

2. Signs – Verbal or Physical – Statements, gestures, signals, or signs flashed by individuals either to members of their own disruptive group as communication or identification, or intended as taunts or challenges to others.

3. Graffiti – A drawing, symbol, phrase, cryptic writing, code, icon, logo, or written word used to express opinions, membership in a disruptive group or gang, about other groups or gangs, or direct challenges to others.

4. Apparel / Jewelry – Hats, bandanas, emblems, trademarks, badges, insignias, logos, belts, belt buckles, colored shoe strings, jewelry or other clothing that identify the individual with the disruptive group and/or that carries meaning for the disruptive group.

5. Manner of Grooming – Tattoos, hairstyles, and other unifying marks (i.e. manner of shaving, piercings) indicative of affiliation with or that carries meaning for a disruptive group.

6. Recruitment – Action to knowingly solicit, invite, recruit, encourage, coerce, or otherwise cause another to actively participate in or become a member of a disruptive group. Furthermore, recruitment also includes the use of force, threat, or intimidation directed at any person, or by the infliction of bodily injury upon any person, thereby preventing the individual from leaving a disruptive group.

Action up to and including expulsion from school may be considered for any single violation of this policy depending upon the nature of the offense, the severity of the situation, and the student’s discipline history. Unless the student has a prior discipline history, or unless other policy violations or safety concerns exist, the typical progression of consequences for violations of this policy are: 1st Offense – warning and education about the policy, school based sanctions including suspension up to three (3) days out of school, and a requirement that student and parent review and sign a statement indicating their understanding of this policy. 2nd Offense – up to five (5) days out-of-school suspension and a required parent meeting as a condition of re-entry for the purpose of reviewing this policy and the consequences of future violations.

3rd or Subsequent Offenses – up to a five (5) day out-of-school suspension and potential expulsion from school.

All violations of this policy which involve violence, threats of violence, or an immediate risk to the safety of students or staff shall result in suspension out-of-school for a minimum of three (3) days.

**Student Habitually Disruptive Behavior (District Policy 5090)**

A student may be declared to be habitually disruptive after a series of suspensions and interventions, and may be expelled for habitually disruptive behavior as explained in District Policy 5090. A habitually disruptive students is defined as a student who has been suspended out of school a minimum of three (3) times during the current school year, for behavior that caused a material and substantial disruption on school grounds, in school vehicles, or at school activities or sanctioned events.

A remedial discipline plan in the form of a contract between school administration, the student and parents should be developed and monitored when students have been suspended and may be at risk of future violations that would result in a habitually disruptive designation. Remedial discipline plans may be implemented for potential habitually disruptive students without parent or student consent in the event that either should refuse to participate in the planning and intervention process. The primary purpose of the Remedial Discipline Plan is to identify support resources and strategies to assist habitually disruptive students avoid expulsion and remain in school. The Remedial Discipline Plan remains in effect for one school year.

**Student Weapons in School (District Policy 5100)**

Consistent with the district’s obligation to provide a safe and secure environment, District Policy 5100, Student Weapons in School, prohibits students being in possession of any dangerous weapon or dangerous item at school, during school activities, or on any district property.

Knives or other instruments with sharpened blades or edges that might easily be used as a weapon are not permitted at school, regardless of the length of the blade. Exceptions include scissors and other sharpened instruments commonly used during supervised educational activities. Possession of a firearm on any Adams 12 property mandates expulsion from the district for the first offense. Other weapons violations are subject to sanctions and interventions as described in the policy depending on circumstances at the time.

In addition, District Policy 8700, Weapons, specifically makes it a violation for any pupil, staff member, volunteer, or visitor to possess a firearm, explosive device, knife with a blade longer than three (3) inches, or other dangerous weapon when in a district facility; on district grounds; at any or district activity, regardless of location; or on any district vehicle. This restriction does not apply to School Resource Officers or other law enforcement officers who are legally required to carry a weapon to perform their job. Any other request for an exception from this restriction should be communicated in writing to the Superintendent.

**Bullying, Harassment or Threats (District Policy 5110)**

District Policy 5110 addresses the negative impact that bullying has on student health, welfare and safety and on the learning environment. Bullying, as defined by state law, is any written or verbal expression, or physical act or gesture, or a pattern thereof, intended to cause distress upon one or more students.

Bullying based upon a student’s race, gender, religion or creed, national origin, sexual orientation, or disability may actually constitute harassment. Harassment is specifically prohibited by District Policy 8400 (Nondiscrimination/Harassment), a summary of which may be found elsewhere in this book.

All administrators, teachers, classified staff, parents and students shall take all reasonable steps to prevent and / or address bullying:

1. Students who have been bullied should report the situation to an administrator or teacher.
2. Students who witness bullying should report it to a staff member.
3. School staff who witness bullying should take action to stop the bullying and to report the situation for appropriate administrative intervention.
4. School administrators should promptly investigate and respond to bullying reports.

Students who bully others will be subject to disciplinary action as described in District Policy 5000, Student Code of Conduct. In addition to discipline sanctions, schools may implement intervention strategies as appropriate.
**Off-Campus Behavior (District Policy 5120)**

Behavior which takes place on or off campus may result in discipline sanctions up to and including expulsion from school when such behavior was or is likely to be detrimental to the welfare or safety of other students or of school personnel, including behavior that creates a threat of physical harm to the student or other students. Such misconduct may include, but is not limited to, any of the behavior violations identified in District Policy 5000, Student Code of Conduct.

In determining whether off-campus misconduct is or is likely to be detrimental to the welfare or safety of students or school personnel, the administrator shall consider, among other relevant factors: the extent to which other District students were involved in or present during the off-campus misconduct; the proximity to school and the school day; and the known or predicted negative impact or effect the misconduct had or is likely to have on the school environment. The existence of criminal charges and/or a criminal adjudication in relation to off-campus behavior may also be considered in determining whether the misconduct warrants school sanctions.

**Search and Seizure (District Policy 5130)**

District Policy 5130 authorizes district officials to conduct a search when on school grounds, in a vehicle owned, leased or otherwise used by the district or school, or at a school activity, when there is a reasonable suspicion that the search will result in the discovery of "contraband," which includes all substances or materials prohibited by district/school policy or state law including, but not limited to, drugs, drug paraphernalia, alcoholic beverages, guns, knives, weapons, incendiary devices, and dangerous items.

Under conditions specified in policy, automobiles parked on or being operated on school property or at a school activity may also be subject to search by school officials.

When possible, an involved student shall be informed of the reason for a search, and the official conducting the search shall attempt to secure the student's consent to the search. The scope of a search must be no more intrusive than is reasonably necessary under the circumstances.

Inappropriate items found during the course of a search may be seized and at the discretion of school administration such items may be returned to the parent or guardian of the student from whom the items were seized; offered as evidence in any suspension or expulsion proceeding if they are tagged for identification at the time seized; turned over to law enforcement officers; or destroyed.

Many district secondary schools utilize random canine searches from time to time to deter students from bringing contraband on district property. Such searches involve trained dogs and their handlers scanning property or general areas, but never individuals. Should a dog alert its handler to the possible presence of contraband, the handler would notify school officials. A canine alert constitutes reasonable suspicion for school officials to conduct a search following the procedures established in District Policy 5130.

**Corporal Punishment (District Policy 5140)**

District Policy 5140 prohibits the use of corporal punishment by any staff member. Corporal punishment is defined as spanking or physically handling a student in any way to purposefully inflict punishment. Permission to administer corporal punishment shall not be sought nor accepted from any parent, guardian, or school official.

**Physical Restraint/Seclusion (District Policy 5150)**

District Policy 5150 permits district personnel, acting within the scope of employment, to use and apply restraint or force as is reasonable and necessary to restrain or prevent a student from threatening physical injury to self or others; to obtain possession of weapons or other dangerous objects; for the purpose of self-defense; for the protection of persons or student safety.

Law enforcement will act according to their agency guidelines regarding restraint or force when safety is at issue.

**COMMONLY REQUESTED INFORMATION**

**Appeals or Grievances**

Students or parents who wish to appeal a decision or discuss a grievance are asked to respectfully address the matter directly to the staff member who made the decision prior to seeking assistance from the staff member’s supervisor, the principal or from District staff. Questions regarding grades, credits, attendance records or student discipline are best addressed at the building level.

Board policy 2.1 provides the right to be heard by the Board when internal hearing procedures have been exhausted and the person alleges that Board policy has been violated to his or her detriment. The policy forbids retaliation against anyone who appeals a decision or files a grievance in a non-disruptive manner. **Consolidated Billing**

Starting in July 2013, Adams 12 Five Star Schools will generate a monthly consolidated bill to be sent to District families. In the past, families received one bill per student. The consolidated bill will list all of the students in the household on the same bill. The bill will be e-mailed on the 20th of each month. Bills will be mailed out in October and March of each year. For more information see [www.adams12.org/consolidated_billing](http://www.adams12.org/consolidated_billing).

**Identification (I.D.) Badges (District Policy 5060)**

All middle and high school students are required to wear a photo identification badge on lanyards approved by the school. Each
school has campus-based policies to address replacement of lost ID’s and lanyards, as well as issues of non-compliance with the policy. Repeat violators of a schools’ ID policy may be subject to discipline sanctions including suspension out of school.

**Law Enforcement**

Adams 12 Five Star Schools works cooperatively with law enforcement agencies throughout the north Denver metropolitan area. All district secondary schools with the exception of charter or alternative schools have a law enforcement officer known as “School Resource Officer” (SRO) stationed on campus. These officers are also available to assist at elementary schools when the need arises. Law enforcement should be notified by administrators in school related situations that involve suspected criminal violations or any time school safety may be at risk. Law enforcement officers will act consistent with their agency’s guidelines in responding to referrals or otherwise becoming involved in school matters.

**Parking and Driving on District Property**

Parents and students who drive or park on campus are expected operate their vehicle in a safe manner complying with all signs and parking only in appropriately designated areas. Failure to follow parking and driving guidelines may result in warnings, vehicles being towed, referrals to law enforcement or loss of the privilege of driving on campus. Students may also face discipline sanctions for driving violations on campus that jeopardize the safety of others. Information about parking fees and regulations for high school students is provided in each high school’s handbook.

**Post-Secondary Planning and Enrollment Options (District Policy 6285)**

Students in 9th through 12th grade may be eligible to enroll for coursework in a state institution of higher education, with costs reimbursed by the District, provided specific eligibility and academic criteria are satisfied. Parents and students interested in more information about post-secondary enrollment options are encouraged to review participation guidelines described in District Policy 6285 or to request information in the counseling offices. **Services for Students with Disabilities**

Students with disabilities are afforded certain rights including those described in the following notifications regarding “Section 504” and Special Education. Parents or guardians who believe their child may have a disability requiring special accommodations or support services may contact the administrative office of their child’s school for more information about assessment and eligibility for such services.

Section 504 of the 1973 Rehabilitation Act is a nondiscrimination statute barring discrimination on the basis of one’s disability. It is the policy of Adams 12 Five Star Schools not to discriminate on the basis of disability in its educational programs, activities or employment policies as required by the Act. The Act requires Adams 12 Five Star Schools to locate, evaluate and determine if the student is a qualified individual requiring accommodation necessary to provide access to educational programs. Parents are entitled to have the opportunity to review relevant educational records under the Family Education Rights and Privacy Act (FERPA). Parents or guardians disagreeing with the decisions reached by school personnel for accommodations necessary for access to educational programming and/or facilities may request a hearing before an impartial hearing officer by notifying the school principal.

The Individuals with Disabilities Education Improvement Act of 2004 guarantees basic rights and provides the framework for special education services. Every student between the ages of 3 and 21 with a disability is assured a public education at no cost to the parent. The public education is to be appropriate to the needs of the student. In addition, students with disabilities must be educated in the least restrictive environment.

**Student Pickup**

As part of our continuing effort to ensure the safety of all students, students will only be released to parent(s)/legal guardian(s) prior to the end of the school day. If your child will be checked out before the end of the day by someone other than a parent/legal guardian you must contact the school office prior to the child being released. If we have not heard from you in advance we will attempt to contact you. If we are unable to contact you, the child will not be released and will remain at school until the end of the day. Parents may consent in writing to allow other individuals to pick up their child prior to the end of the school day without first obtaining permission from a parent/legal guardian. If you would like to authorize other people to pick-up your child(ren) (this includes step-parents) please request a **Student Pick-Up Authorization** form from your child’s school and return it to the school. This authorization remains in effect until revoked by the parent/legal guardian.

**Students’ Right to Expression (District Policies 5650, 5670, 6260)**

District Policies 5650 and 5670 acknowledge students’ right to dissent peacefully, including the right of legal protest through proper channels, provided such dissent does not interfere with the educational process or result in harm to persons or property. Policy 6260 describes guidelines by which students may exercise expression in school-sponsored publications. Students should be aware of their rights and responsibilities according to the guidelines established in each policy.

**Teacher Qualification Information**

Federal law allows parents to request information regarding the professional qualifications of their student’s classroom teacher, including whether the teacher is teaching under emergency licensing, the area of study in which the teacher majored in college and degrees and endorsements that the teacher has achieved. Parents may also request information regarding the qualifications of any paraprofessional staff member providing service to their child. Parents who would like to request this information should contact the administration of their child’s school.
Translation Services

Schools are responsible for arranging translation services for discipline actions, teacher conferences, back to school or open house events, non-emergency medical information, student attendance, or academic performance concerns. Please contact the school administration office if you have any questions regarding translation services. Translation assistance is also available upon request for deaf or hearing impaired students or families.

Transportation (District Policy 3600)

Bus service will be available for elementary students that live more than one and one-quarter miles from school, middle school students who live more than one and one half miles from school, and high school students that live more than two and one half miles from school. Students who ride buses may be expected to walk up to the same distance as walk in students as described above to the nearest bus stop. Students are encouraged to arrive at the bus stop at least five minutes before the scheduled pickup time.

Students who ride the bus to or from school are required to have a bus pass card at all times. There is no charge for the initial bus pass card. There is a $5.00 fee for replacement of lost cards.

District bus drivers are well trained in working with students toward providing a positive riding atmosphere. Passengers are expected to show respect for others including fellow passengers, drivers, sponsors, motorists, residents and property owners. A point infraction system is utilized to document and intervene in response to behavior issues. Students may temporarily or permanently lose the privilege of riding the bus for extreme or reoccurring behavior infractions. Discipline consequences including suspension or expulsion from school may also be warranted depending on the severity and nature of the situation. The transportation point infraction system can be found on the district website and in District Policy 3600, Student Transportation. For more information on school transportation call 720-972-4300.

Video and Audio Monitoring (District Policy 3520)

District Policy 3520, Video and Audio Monitoring, allows video surveillance to be utilized in schools, on school property, and on transportation provided by the district. Many cameras are equipped with audio recording capabilities as well. Such monitoring may assist in deterring misbehavior and may provide evidence to be presented in student discipline hearings, court proceedings, and similar venues. Recordings may be used in student discipline investigations and as evidence in school discipline matters including suspension or expulsion cases. Recordings may also be used to prosecute crimes against property, students or staff. Recordings will be made available as appropriate to school administration and law enforcement, or as otherwise may be required for disclosure by subpoena.

Students will not be notified when a recording device has been installed or is being utilized in a specific vehicle or building. Students should proceed with the assumption that their conduct and comments in public places (e.g., school hallways, buses, athletic facilities, etc.) may be recorded by video and audio devices.

Visitors to Schools (District Policy 1200)

Parents and visitors are welcome in district schools or facilities. For the safety of students, staff and visitors, District Policy 1200, Visitors to Schools, provides guidelines regarding school visits. Visitors should report to the school office or building reception area and follow all check-in procedures upon arrival. Building visit procedures typically include presenting identification, signing a visitor log, wearing a visitor identification card, and / or being accompanied by a staff member. In some schools scanning software exists to verify that there are no individual criminal concerns that might jeopardize school safety. Classroom visits by parents or guardians should be requested and approved by the principal prior to the visit to avoid disruption of the learning environment.

Visitors who fail to abide by district and school guidelines for visitors may be requested to leave school property and may be subject to future restrictions regarding school visits as explained in District Policy 1210, Public Conduct on School Property. Law enforcement or district security staff may also be contacted.

HEALTH SERVICES

Health Services

Adams 12 Five Star Schools provides registered nurses to train, delegate, and monitor various school staff on health procedures needed for students during the school day. The registered nurses also provide consultation to school staff and/or parents on medical concerns and often serve as medical liaisons between schools and outside agencies.

A trained health aide staffs the School Health Office. The health aide is responsible for providing minor first aid to students who become sick or are injured while at school, for administering prescribed medications, and for maintaining student health records. Other designated staff members may provide coverage in the health office when the school health aide is not available.

For more information about support for students with health needs please refer to the policies referenced or the District Health Services webpage at https://www.adams12.org/departments/health-services.

Administration of Medications at School (District Policy 5420)

Generally children do not need to take medication during the school day. However, when your doctor prescribes a prescription or over-the-counter medication that must be taken at school, District Policy 5420 identifies the steps which must be followed: 1.

All medication given at school must have a medication request form signed by both a parent/guardian and a physician. It must provide information stating the name of the medication, the dosage, when the medication needs to
be taken and why the medication is being given. These medication request forms are available at school and online at https://www.adams12.org/medications. This policy applies to prescription medication and all over-the-counter medications such as Tylenol, cough syrups, eye drops, ointments, etc. Cough drops are not considered medication under this policy, and therefore, parent and physician authorization is not required for a student to have them at school.

2. Medication must be provided by the parent in a pharmacy labeled bottle prescribed for the student or in the original over-the-counter container.

3. All medications are kept in a secure area in the school health office. Students are typically not allowed to keep medication with them (in their lunch box, backpacks, etc.).
   a. Students may carry certain medications when a physician specifically authorizes this in writing. Those medications may include (1) inhalers necessary to control asthma or other respiratory conditions; and (2) other medications for serious health conditions which may require immediate intervention. See your school’s District RN to review and sign Self-carry contract on an annual basis. Self-carry contracts may also be found online at https://www.adams12.org/medications.

4. The health aide or other designated staff will administer prescribed medication according to parent/physician instructions. All medication administered at school is recorded on the student’s medication record and initialed by the staff person administering the medication.

5. All unused medication not picked up will be appropriately discarded at the end of the school year.

6. To save time and repeat doctor visits, please have your physician complete or fax a written permission for the school at the time he/she prescribes any medication that may be administered at school. If necessary, two containers (one for school and one for home) can be requested at your pharmacy.

**Food Allergies (District Policy 5415)**

The District recognizes that many students are diagnosed with potentially life-threatening food allergies. To address this issue and meet state law requirements concerning the management of food allergies and anaphylaxis among students, Superintendent Policy 5415, Students with Food Allergies, establishes procedures to provide appropriate support plans for students with food allergies.

The Students with Food Allergies Policy provides guidelines for the development of a health care plan with the assistance of the licensed school nurse. Such plans typically address communication and emergency instructions between school officials and emergency responders, as well as reasonable accommodations to reduce the student’s exposure to agents that may cause allergic reactions. Plans may also include staff training provisions, access to emergency medications and provisions under a “Section 504” or an Individual Education Plan when appropriate as determined by law.

**Illness or Injury**

If your child is seriously injured or ill at school and requires care beyond the facilities of the school, an attempt will be made to contact you as well as calling emergency medical personnel (911) for treatment and/or transportation to a proper facility.

When a child becomes ill or is injured at school the health aide or other school staff will determine if your child can remain at school safely. Schools do not have adequate facilities or staffing to keep ill children at school for long periods of time. Therefore, it is essential that parents immediately inform schools of address and phone number changes.

Attendance is important and so is the health of a child sometimes parents can have trouble knowing whether their child is too ill to go to school. You may find the following guidelines helpful.

**IMPORTANT**

☐ School is a child’s work. When they miss too many days of school, they fall behind and struggle to keep up with their classmates. Both excused and unexcused absences will affect their educational growth and progress. We want to work with you to help minimize the number of days your student misses school.

**CHILD IS TOO ILL**

Your child is too ill to go to school if he/she has any of these signs or symptoms:

- Seems very tired and needs bed rest (this can be common with flu).
- Has vomiting or diarrhea.
- Becomes short of breath or has an increase in wheezing during normal activity.
- Has a cough that disrupts his/her normal activity.
- Has severe pain from earache, headache, sore throat, or recent injury.
- Has yellow or green drainage from eye(s). ☐ Has rash that is weeping or oozing.
- Has a fever (above 101°F) and any of the above noted symptoms.
- Please refer to the Adams 12 flyer “When is sick too sick for school?” for more information.
- Additional information can be found online at https://www.adams12.org/departments/health-services/should-your-child-stay-home
CONTAGIOUS DISEASE

- Your child should stay home from school if he/she has a contagious disease to keep from spreading it to others. A contagious disease is one that can be spread by close contact with a person or object. Examples are: chickenpox, the flu, pertussis, strep throat, scabies, or impetigo. A disease is most often contagious 24 hours before the child shows signs of illness. It is very hard to prevent the spread of some germs, especially in a school classroom. Good hand washing is the best way to prevent the spread of germs.

- If your child has a contagious disease, provide the school with a note from your healthcare provider stating when your child can safely return to school. Generally, when your child is **fever free** (without fever-reducing medicines such as acetaminophen or ibuprofen) they may return to school.

- If an antibiotic medication is prescribed for your child, be sure he/she has taken the medication for at least 24 hours before returning to school.

- Should your child require medication at school, please refer to District Policy (5420) Administration of Medications at School.

- If a child is found to have head lice/untreated nits at school the child will be allowed to remain in school until the end of the school day. Parent(s)/Guardian(s) will be notified and given the option to pick-up their child early should they choose. The child can return to school once treatment is done at home. The child must report to the health office upon returning to have hair checked for the presence of live lice/lice nits.

**Immunizations (District Policy 5410)**

District Policy 5410 follows Colorado law (Board of Health rule 6 CCR 1009-2) for student immunization requirements. Children who do not meet the immunization requirements may be denied admission to school.

You must provide one of the following to your child’s school upon enrollment:

1. An up-to-date immunization record from your health care provider or a Certificate of Immunization certifying that the student has received school-required immunizations.
2. A medical or non-medical exemption submitted to the school if a student is not fully immunized. Exemption guidance and information are available at [www.colorado.gov/vaccineexemption](http://www.colorado.gov/vaccineexemption). For assistance with your child’s health needs or any health questions, please contact your child’s school health office and/or school nurse.

**Medicaid School Health Services Program**

As a Medicaid school reimbursement program, Adams 12 Five Star Schools will access Medicaid eligibility information for students enrolled in the Adams 12 Five Star Schools from Health Care Policy and Financing (HCPF). HCPF is the designated Medicaid agency in the state. Student information such as names, date of birth, and gender will be released to the HCPF to verify Medicaid eligibility of students in the District. With consent, the description of health and health-related services delivered to Medicaid eligible students will be released to Medicaid and/or the district billing agent for proper administration of the program. A dated record of all transactions will be kept on file at the Adams 12 Five Star Schools Medicaid office. Parents may revoke their consent at any time, by calling the Medicaid office at 720-972-4790. School Medicaid reimbursement does not affect the family’s other Medicaid benefits in any way.

Parental consent must be obtained under the Family Educational Rights and Privacy Act (FERPA) regulations at 34 CFR part 99 and the IDEA regulations at §300.622 before the school district discloses, for claiming purposes, your child’s personally identifiable information to the agency responsible for the administration of the State’s public benefits or insurance program (e.g., Medicaid). If you refuse to provide consent for the disclosure of personally identifiable information to the agency responsible for the administration of the State’s public benefits or insurance program (e.g., Medicaid), or, if you give consent but then later withdraw consent, that does not relieve the school district of its responsibility to ensure that all required services are provided at no cost to the student.

**Suicide Prevention**

Protecting the health and well-being of all students is of utmost importance to the Adams 12 Five Star School District. District Policy 5520 addresses suicide assessments as a priority to protect all students.

Adams 12 will treat all threats or attempted suicides as serious regardless of the degree of lethality involved. When a student threatens or attempts suicide, the Adams 12 personnel will follow District Policy and respond accordingly.

The following steps have been taken to help protect all students:

1. Students will learn about recognizing and responding to warning signs of suicide in friends, using coping skills, using support systems, and seeking help for themselves and friends.
2. When a student is identified as being at risk, he or she will be assessed by a District mental health professional that will work with the student and help connect the student to appropriate local resources. 3. Students will have access to national resources which they can contact for additional support, such as:
4. All students will be expected to help create a school culture of respect and support in which students feel comfortable seeking help for themselves or friends. Students are encouraged to tell any staff member if they, or a friend, are feeling suicidal or in need of help.
5. Students should also know that because of the health and safety impacts of these matters, the confidentiality and privacy rights of individuals will be respected but concerns are secondary to seeking help for students in crisis.
6. For a more detailed review of District processes, please see the District’s full suicide prevention guidelines document.

Vision and Hearing Screening
Vision and hearing screening is mandated for all students in kindergarten, first, second, third, fifth, seventh, and ninth grade levels; for children new to the district and for any child with a suspected deficiency. This screening does not include extensive testing. If a deficiency is found parents are contacted and advised to arrange for a more complete evaluation.

The Student and Family Outreach Program
The Student and Family Outreach Program believes that all students hold the strength and potential to thrive. Our mission is to remove barriers that keep students from being engaged and thriving in school by offering the following supports:

● provide homeless education services per the McKinney-Vento Homeless Assistance Act
● connect families with needed community resources (food, clothing, utility assistance, etc…)
● provide Health First Colorado (Medicaid) and Child Health Plan Plus (CHP+) application assistance to families
● provide bilingual assistance
