Course selections are for the entire year. You must select the appropriate English, Math, Science, and Social Science course for a minimum of 4 core credits. After completing the first section of Required Core Academic Courses, select Additional Required Courses for a total of 6 credits. . In unique circumstances and if **space is available**, some student’s schedules may consist of 7.0 credits. Please see your counselor if you believe you might qualify; most circumstances involve two music classes. **Contracts for AP Courses must be submitted to the Counseling department by Feb. 8 or the class will be dropped from your requests.**

**Section 1 (Required Core Academic Courses):** If you select two semester-long classes for science, please be sure to sign up for a year-long science class as an alternate.
