Course selections are for the entire year. You must select the appropriate English course plus additional core classes for a minimum of 3 core credits. After completing the first section of Required Core Academic Courses, select Additional Required Courses for a total of 6 credits. In unique circumstances and if **space is available**, some student's schedules may consist of 7.0 credits. Please see your counselor if you believe you might qualify; most circumstances involve two music classes. **Contracts for AP Courses must be submitted to the Counseling department by Feb. 8 or the class will be dropped from your requests.**
