

Last Name	First Name	M.I.
-----------	------------	------

Course selections are for the entire year. All freshman will take 6.0 credits; in unique circumstances and if space is available, some students' schedules may consist of 7.0 credits.

**Required Courses**

Subject Area	Course Notes	Credits
English and Social Science	All freshman will take a block course including English, Government, and Economics (EGE).	2.0
Science	All freshman will take Biology or CP Biology. Placement will be determined by criteria including standardized assessment scores and middle school grades.	1.0
Math	<p><b>In the next column, circle the course you are currently taking.</b> Please note that this will be verified prior to scheduling.</p> <p>Math placement will be primarily determined by the course a student is taking in 8<sup>th</sup> grade.</p> <p>See the math department webpage for more information.</p>	<p style="text-align: center;"><i>Circle One</i></p> <p><b>Math 8</b> You will take Math I/II next year. <b>Write down "2" for credits.</b></p> <p><b>Honors Math 8</b> You will take Math II/III next year. <b>Write down "2" for credits.</b></p> <p><b>Other:</b> _____ You will be placed accordingly. <b>Write down "1" for credits.</b></p>
Elective #1	All freshman will pick at least one elective. Enter the course number in the middle column and the number of credits (0.5 or 1.0) to the right. See the reverse side for names and numbers.	<p>Name: _____ Course Number: _____</p>
Elective #2 (optional – only if needed to equal 6 credits)	If the total credits above does not equal 6.0, please enter additional elective selections to equal 6.0. See the reverse side for names and numbers.	<p>Name: _____ Course Number: _____</p> <p>Name: _____ Course Number: _____</p>
<b>TOTAL</b>		<b>6.0</b>

**Additional Courses and Alternates**

Please list any additional courses you would like to take below. Also, list any courses that you would like to have as alternates, in case there isn't room in the elective(s) you selected above. We recommend all 9<sup>th</sup> or 10<sup>th</sup> graders take Healthy Choices.

	Course Name	Course Number
1.		
2.		
3.		
4.		

Bring this completed form to the 8<sup>th</sup> Grade Information Night on **Monday, March 4th at 6:30 p.m.**, or turn it in to your middle school counseling office by **Tuesday, March 5th.**

**Please see the Legacy Course Selection Guide online for more detailed course descriptions, up-to-date course fees, and attire costs. The guide can be found through the "Family Resources/Course Selection" tab on the webpage.**

\*\*\*AP Human Geography and AP Computer Science Principles are college-level courses taught at the high school level. After registration, students who requested the course will be sent a contract to complete; freshman will be placed in the course(s) on a space available basis only.

Note: Students must currently be in Honors Math 8 or higher to be eligible for AP Computer Science Principles.
