Manage Course Plans

🔍 Type a course name

Create, modify, and submit course plans for approval from your counselor. You can even scan your plan to see how it compares course requirements for colleges you are thinking about. You can create as many course plans as you like. Your "Current Plan" is your primary plan.

Your Current Plan

**CREATE A NEW PLAN, EVEN
IF YOU HAVE AN OLD ONE!**

Course Planner

[X Cancel](#) Create New Course Plan

STEP 1 — **STEP 2** — **STEP 3**
Choose Plan Create New Add Courses

Select the graduation plan you would like to build.

Start by selecting a high school and then select one of the graduation plans available at that school. You will then be able to select courses and explore and apply career pathways courses to your plan. You can also create more than one plan so that you can explore different pathways available at different schools.

Description

Literature of the United States: This course will focus on the development of literary theme and structure across the 18th, 19th, and 20th centuries in the United States in order for students to understand the thematic progression of American literature. Students will participate in a variety of inquiry-based learning activities and verbal activities as well as write narrative, comparative analysis, informative, and persuasive pieces.
